

2021 Powerful Learners Conference Sponsorship Prospectus

The 3rd Annual Powerful Learners Conference will take place virtually on February 6, 2021 and will attract participants from across the country. The conference brings together educators, youth workers, tutors, resource specialists, and administrators to learn concrete strategies designed to increase students' belief in themselves as learners and their power in the classroom and beyond.

Gateway Impact is an initiative of Gateway Public Schools that is committed to improving education outcomes of young people through sharing best practices and by bringing educators together to collaborate and learn from each other. The Powerful Learners Conference is a key component of Gateway Impact.

Why Sponsor This Conference?

Be part of creating this virtual conference and community for educators when they most need professional development and supportive resources. Your investment in the Powerful Learners Conference allows Gateway to continue to offer the conference at a sliding scale rate, ensuring teachers from schools in low income communities and those with no professional development budget are able to participate.

Reach a national audience of educators interested in sharing and learning best practices to support underserved students on the path to, through, and after college.

Conference Attendees

A diverse audience of teachers, youth workers, tutors, learning and resource specialists, school counselors, education consultants, and school administrators and organization leadership within the San Francisco Bay Area and beyond.

Testimonials

"I LOVED that there was a shared, common theme to the day/sessions. All sessions/activities seemed to build on one another... Often ed. conferences are disconnected and leave me feeling overwhelmed and unmotivated. Not at all the case with this conference. Very well planned/organized!"

"Reinforced my beliefs of why I do what I do."
