

Tacolicious School Project and Gateway Public Schools

Tacolicious donates 15% of all sales - food and booze! - to Gateway Public Schools

Our community has to support public schools.

We need everyone standing with our schools, teachers and students.
Here's how you can be part of it:

Fundraising can be hard.
Drinking margaritas is not.

Invite your friends to meet you for happy hour and a good cause!

\$3 Tecate

\$6-7 margaritas & sangria

They're kid-friendly even during happy hour - don't miss the \$8 kids' meal!

The restaurant upstairs is the perfect place to host a Monday night dinner with your friends and family!

The room can seat up to 20 people family-style or 25 standing for something casual.
